

Tendency to Constipation?

USE THIS LAXATIVE!

Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by

sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. You can obtain special medical advice without charge by writing to Medical Director, 27 Swift Laboratory, Atlanta, Ga.

The Tri-State pays more for each man's cream in his own can because the quality of the cream is better.

You see, the agency system of buying cream mixes all patrons' cream when shipping and all the patrons care and attention to his cream goes for naught for one gallon of poor cream will affect many gallons of good cream and that's exactly what happens and the result is an inferior quality of cream when received by the creamery.

The Tri-State way of DIRECT DEALING gives us each man's cream in his own can.

COLORED COLUMN (J. W. Cobb)

Good roads mean as much to the colored citizens as they do to our white friends. The tax necessary to provide funds to give Madison good roads amount to very little. Progressive colored citizens all over the county are going to vote in favor of the tax at the election tomorrow, if reports we hear are true. We are helping our race in many ways when we help the good roads proposition. Vote YES tomorrow.

COME ON

Everybody came at the same time last week and our first car of Seed Potatoes, our third car of Seed Oats, our stock of Grass Seeds, etc., went faster than we could haul them. Sorry we had to disappoint some by not being able to deliver when they wanted them, but our new supply is coming in every day and by the time you read this, we will be able to fill your order.

REMEMBER WE GUARANTEE DELIVERY IF YOU BUY.

Pay no attention to what people tell you about our goods unless they have seen them; then be sure and ask 'em all the questions you can think of. A great many of our new customers come with suspicion because they have been told by some who haven't seen themselves, that it can't be done; that the quality is not there or something is wrong. It is pleasing to us, for when they see themselves, it makes a stronger impression. They come in undecided and only half believing. They go out satisfied, enthusiastic and with a big smile.

Friends, it's no trap. It is real, genuine, and best of all, permanent, going right on; not this week and next, but on and on. Here is the secret: We buy in bigger quantities, sell a car load while the ordinary store sells a wagon load; quick turnover and small profit. We both make money when you trade at Welch's. QUALITY is our MIDDLE NAME. Come on. We pay the freight.
